

A Few Words from Previous Customers about their sessions with Deborah Lighthart

"Dear Deb, I knew as soon as I heard your voice on the phone that there was something special about you and now I understand. (My daughter) has had her very best day in about 5 months since her conversation with you this morning. I am feeling relieved as well! We have a better understanding and vision now about our issues. We both feel more relaxed. You are a true blessing to us." ~ Sherry W., IL

"...we sold our house...we got the offer...So your reading was very correct....nice 'tuning in' Deborah!!!!"

~ Nan L., WI (face-to-face readings)

"I have known Deborah for several years and would describe her as someone who lives her spirituality. It is not something she "does", it's something she "is". The readings she has done for me are always very clear, focussed, and helpful. They are useful in a practical sense. Working with her guides, she taps into the essence of what I need some help with, even when I am not that clear myself expressing the situation to her. I have found that one reading with

Deborah can save me hours of "talking it out" with a friend or a therapist."

~ Hollis B., MA (phone readings)

"Thank you so much for all your help with my past life readings. It has been helpful beyond measure to listen to you describe for me in words what I have been carrying around as swirling, unexpressed emotions for many lifetimes. It has been a tremendous relief to bring all of that anger & grief into full consciousness and to completely & absolutely release it once & for all!"

~ Tess R., WI (in person readings)

"We've just finished talk - I feel a peacefulness surrounding me and it seems to be on a more permanent level to draw from. Thank you."

~ Sienna, NV (phone readings)

"Deborah has provided me with spiritual guidance, as well as help in more practical matters (such as finding the right house)."

Now my relationship is everything I have always wanted! I just couldn't believe it. Thank you for all of your help."
